Ted Roccagli, Director Vendor Partnerships

As we get ready to celebrate the 4th of July, America's 250th anniversary of Independence, I want to extend my warmest wishes to you and your families for a safe and enjoyable Independence Day. This year's celebration is especially meaningful, marking two and a half centuries since the signing of the Declaration of Independence in 1776 and inviting us to reflect on the generations of Americans whose courage, hard work, and belief in a better future helped build this nation.

It is time to reflect on all that brings us together on this journey together to bring our dealers and vendors meaningful valued relationships through our GPM Empire, LLC TEAM and our PVP program!

As we look ahead to the next 250 years, this milestone is also a reminder that there is still much to be learned and accomplished as technology and people meet the needs of this exciting industry.
